Our Disciplined Strategy Drives Our Results

Strategic Overview

- **Originate and service** first mortgage loans, and home equity loans and lines of credit, funded through retail deposits, FHLB advances and brokered CDs.
- **Loyal deposit customer base** provides stability to funding approach.
- **High average deposits per branch (\$229 million) and assets per associate (\$14 million)** generate efficiencies.
- **Physical presence** in Ohio (21 full-service branches, 8 loan origination offices) and Florida (16 full-service branches), and first mortgage loan origination and home equity loan products to 25 states and the District of Columbia through our online offering and customer service center.
- **Non-commissioned Third Federal associates** underwrite and process the requests to generate mortgage loans and home equity products.
- **Stringent, conservative lending standards** used for underwriting, which reduces credit risk. For first mortgage loans originated during the current fiscal year, the average FICO score was **774**, and the average LTV was **70%**.
- **Capital levels in excess of 10%**, combined with consistent asset growth, allow us to drive long-term, sustainable earnings, and support cash dividends and share repurchases.

Forward-Looking Statements

This presentation contains forward-looking statements, which can be identified by the use of such words as estimate, project, believe, intend, anticipate, plan, seek, expect and similar expressions. These forward-looking statements include, among other things:

- statements of our goals, intentions and expectations;
- statements regarding our business plans and prospects and growth and operating strategies;
- statements concerning trends in our provision for loan losses and charge-offs;
- statements regarding the trends in factors affecting our financial condition and results of operations, including asset quality of our loan and investment portfolios; and
- estimates of our risks and future costs and benefits.

These forward-looking statements are subject to significant risks, assumptions and uncertainties, including, among other things, the following important factors that could affect the actual outcome of future events:

- significantly increased competition among depository and other financial institutions;
- inflation and changes in the interest rate environment that reduce our interest margins or reduce the fair value of financial instruments;
- general economic conditions, either globally, nationally or in our market areas, including employment prospects, real estate values and conditions that are worse than expected;
- decreased demand for our products and services and lower revenue and earnings because of a recession or other events;
- adverse changes and volatility in the securities markets, credit markets or real estate markets;
- legislative or regulatory changes that adversely affect our business, including changes in regulatory costs and capital requirements and changes related to our ability to pay dividends and the ability of Third Federal Savings, MHC to waive dividends;
- our ability to enter new markets successfully and take advantage of growth opportunities, and the possible short-term dilutive effect of potential acquisitions or de novo branches, if any;
- changes in consumer spending, borrowing and savings habits;
- changes in accounting policies and practices, as may be adopted by the bank regulatory agencies, the Financial Accounting Standards Board or the Public Company Accounting Oversight Board;
- future adverse developments concerning Fannie Mae or Freddie Mac;
- changes in monetary and fiscal policy of the U.S. Government, including policies of the U.S. Treasury and the FRS and changes in the level of government support of housing finance;
- changes in policy and/or assessment rates of taxing authorities that adversely affect us or our customer;
- changes in our organization, or compensation and benefit plans and changes in expense trends (including, but not limited to trends affecting non-performing assets, charge-offs and provisions for loan losses);
- the continuing governmental efforts to restructure the U.S. financial and regulatory system;
- the inability of third-party providers to perform their obligations to us;
- a slowing or failure of the prevailing economic recovery;
- changes in accounting and tax estimates;
- the adoption of implementing regulations by a number of different regulatory bodies under the DFA, and uncertainty in the exact nature, extent and timing of such regulations and the impact they will have on us;
- the strength or weakness of the real estate markets and of the consumer and commercial credit sectors and its impact on the credit quality of our loans and other assets;
- the ability of the U.S. Government to remain open, function properly and manage federal debt limits; and
- cyber attacks, computer viruses and other technological risks that may breach the security of our websites or other systems to obtain unauthorized access to confidential information, destroy data or disable our systems.

Because of these and other uncertainties, our actual future results may be materially different from the results indicated by any forward-looking statements. Any forward-looking statement made by us in this report speaks only as of the date on which it is made. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future developments or otherwise, except as may be required by law.
